Dear Colleagues:

Attached, please find SLOCOG's **Amendment #4 (Administrative 07-04)**. Per SLOCOG's 2007 TIP, the San Luis Obispo Council of Governments (SLOCOG) Executive Officer is authorized to approve minor amendments as described on page 15 of the SLOCOG TIP and further described in Appendix A-4 of the SLOCOG TIP.

Amendment #4 modifies federal National Scenic Byway funds to "Advance Construction" for fiscal year 2006/2007. This amendment is critical to ensure timely delivery and coordination with other non-federal grant sources. This project, #22300000200, and was recently amended as part of a formal amendment (07-02) approved by Caltrans Office of Federal Program 11/13/2006 and by the Federal Highway Administration on 12/11/2006.

Also, this amendment adjusts the SHOPP lump sum "Bridge Protection" program by increasing funding for one of the lump sum projects, 11300000248, from \$8.149m to \$8.885m. This is approximately 12%, well below the 20% threshold for formal amendments.

Lastly, we are requesting that our HBR lump sum (21300000125) for the tri-annual period be adjusted to show all "Advance Construction" for fiscal year 2006/2007 with an increase of 20%.

This amendment is available on the California Transportation Improvement Program System (CTIPS) or via SLOCOG's TIP database, TransInfo, at <http://transinfo.slocog.org>. If you would like a full copy of the 2007 TIP and amendments, please visit SLOCOG's website at www.slocog.org. If you have any questions regarding this amendment, please contact Richard Murphy, SLOCOG's Programming Manager, at 805-781-5754 or rmurphy@slocog.org.

Sincerely,

Ronald L. DeCarli
Executive Director
